MESSAGE FROM THE HEAD OF SCHOOL

Dear CBA Family,

As another school year comes to an end, I am proud to report that the tradition of excellence continues into CBA's one hundred and fifty-fourth year. As scholarship awards arrive for the Class of 2014, our 100% college acceptance rate extends through a fourth decade. Our graduates will move on to study at some of the best colleges and universities in the country.

In addition to our celebrations surrounding commencement, the year has been filled with success. The recent additions to the CBA Faculty and Administration have strengthened solid departments and translated into some remarkable results. Our tremendous Regents scores in Earth Science, Chemistry, Geometry, and Physics have inspired many students to pursue further study in those fields. Next year, we are increasing the number of sections of Physics and will introduce our engineering curriculum, Project Lead the Way.

As a school, and as a community, we are moving in the right direction to ensure the success of Christian Brothers Academy. Over the past five years, our enrollment has increased; we are getting bigger, but we are certainly getting better. This improvement is the result of a focus on continuous improvement, combined with hard work by a talented faculty, dedicated families, and an outstanding group of students. With the support of the CBA family, we will continue to provide quality education in the Lasallian tradition, allowing for each young man who walks the halls of CBA to reach his personal best.

Saint John Baptist de La Salle, pray for us. Live Jesus in our hearts, forever!

James Schlegel
Head of School

MESSAGE FROM THE CHAIRMAN

Dear Parents and Alumni:

The 2013-2014 school year was very successful and we are in our fourth year of enrollment growth. In addition, the administration and faculty continues to enhance the school's academic offerings to best prepare our students for college and beyond. These successes have been made possible through the generous support of our parents, alumni and friends. I am inspired by the willingness of so many people to help support the Christian Brothers' mission at CBA.

This year we welcomed five new Trustees to the Board: Brother Joseph Schaefer, Brother Stephen Olert, Robert Jones '83, Lynn Zielinski and William Anthony '81. The Board continues to work closely with the administration to evaluate and plan for CBA's bright future. As the former Bishop Howard Hubbard previously stated, Catholic schools are needed more today than ever. Many parents are looking for a school that prepares their son academically to perform at the highest level and provides a learning environment that teaches life-long religious and moral values. Through your continued support, CBA will remain a premier educational institution, holding true to the Christian Brothers' teaching philosophy.

I wish everyone a safe and enjoyable summer.

Christopher Scaringe '82
Chairman of the Board of Trustees

MAY CROWNING

Middle School students gathered around the CBA Grotto to honor Mary, the mother of Jesus, during the month of May, a tradition in the Roman Catholic Church. The 8th grade class led the middle school student body and faculty in readings, the singing of psalms, praying a decade of the rosary, and the crowning of Mary with flowers. At the conclusion of the ceremony, every student placed a flower in a glass vase at the feet of Mary to honor her. CBA 8th grade theology classes had been preparing this ceremony under the instruction of CBA's Campus Minister Owen O'Leary.

LONG-TIME CBA TEACHERS RETIRING

Bill Atkinson

Bill Atkinson has been a teacher at CBA for 33 years. Mr. Atkinson has held positions as the Ski Club Moderator, History Department Chair, Assistant Principal for Student Affairs, U.S. History Teacher, and Global History and Geography Teacher.

Mr. Atkinson's students have always received high scores on State examinations and his teachings have played an influential role in all of his students in and out of the classroom. For many years he has run school trips to Walt Disney World, Yankees games, Washington D.C. and Boston. Life lessons and the responsibilities he gave his students on these trips were some of his most important teachings.

SAINT LASALLE SOCIETY – SHAPING THE FUTURE OF CHRISTIAN BROTHERS ACADEMY

The Saint LaSalle Society was created as a giving society for supporters who wish to remember Christian Brothers Academy in their wills. The Society's name honors Saint John Baptiste De la Salle (1651-1719), the founder of the Christian Brothers and the patron of Christian Brothers Academy.

The Saint LaSalle Society recognizes and honors all individuals who provide support for CBA in their wills, trusts, life insurance designations, and retirement assets. By joining others who have taken this step, you can take satisfaction from knowing that you are part of an important legacy.

When an individual joins the Saint LaSalle Society this act of support reaffirms Saint

John's promise to our boys about the future. With an education, it will be better, and that they are needed to make it better, and that a legacy of education will serve them.

By informing CBA of your intended bequest or other planned gift, you will be invited to enjoy recognition as a member of our Saint LaSalle Society.

Saint John Baptist de La Salle, pray for us. Live Jesus in our hearts, forever!

Please contact Colleen Ward at (518)452-9809 ext. 113 or ward@cbaalbany.org if you would like to join this prestigious society.
