CHRONICELES THE CBA MAGAZINE 8TH GRADE MOVING-UP

MESSAGE FROM THE PRESIDENT

Dear CBA Family,

As we enjoy summer after the close of a successful school year, we reflect back on the start of this year. A year ago, we all experienced a time of tremendous uncertainty, but for students, it was especially uncertain. The two previous school years had been interrupted and many of the routines,

ceremonies, and everyday school experiences were missing. As we began the school year in September, no one could be certain what the year could bring. Thanks to the efforts of our faculty, staff, and administration, I am pleased to report that our students had the opportunity to enjoy most, if not all, of the experiences that make CBA such a special place.

During the last few months, we have celebrated our seniors through Graduation and the Mother's Review. Our senior class, which earned more than \$19 million dollars in college scholarships, was led by our Valedictorian, Jack Mangione, who will attend the University of Notre Dame, and our Salutatorian, Brandon Gallagher, who will attend Rensselaer Polytechnic Institute. The 96 graduates will leave CBA to attend some of the finest colleges and universities in the country. At the Mother's Review, our graduating Cadet Colonel, John O'Keeffe, turned the brigade over to a new class as he heads off to Boston College. John leaves the brigade in the hands of a newly commissioned group of cadet officers and the new Brigade Commander, Cadet Colonel Michael Vogel.

Many of the year-end events that make CBA a special place have returned. After two years off, our full brigade marched in the Albany Memorial Day Parade where, once again, our young men were stars of the parade. Our many talented musicians were highlighted during a few events that returned this spring. We honored the contributions of our senior performers at our Senior Night Concert at the Clark Theater, while all of the musicians in our program were featured on campus at the Spring Festival Concert. We are blessed with talent at all levels in our phenomenal music department. In athletics, for the second consecutive year, every one of our varsity teams was recognized as a Scholar-Athlete Team by the New York State Public High School Athletic Association earning CBA the honor of being a School of Distinction.

Last September, the excitement was palpable in our community as our varsity football team opened our new turf field in grand style while winning the Section II Super Bowl. This year, we continue to enhance the student experience with a full year of student and JROTC activities, significant upgrades in educational and instructional technology in the classrooms, and our sports and activities dome. Planning is underway and construction will begin in the fall for our dome – a transformational, year-round activity space for all of our athletics teams, physical education classes, marching band, drill team, and full brigade JROTC training.

As you read through The Chronicles, I hope you share the same sense of pride that I feel in our students and alumni for their tremendous accomplishments. Our school continues to be a place where academic achievement and citizenship are celebrated and a starting point for our graduates to lead lives as men of faith, intellect, and character. I wish you a wonderful summer and thank you for everything you do in support of Christian Brothers Academy.

St. John Baptist de La Salle, pray for us. Live Jesus in our hearts, forever!

Sincerely,

President

CBA VISITS MANHATTAN COLLEGE

On March 10, students from CBA's Project Lead the Way engineering program were invited to Manhattan College's campus to tour their newly constructed Higgins Engineering and Science Center and the Leo Engineering Building. The students also had opportunities to network with professors and MC students and got to experience first-hand what a STEM-related field would be like if attending Manhattan College. Thank you to CBA and Manhattan College Alum's **Mike Van De Loo '90**, who was a guest speaker, **Ben Boivin '05**, Director of Undergraduate Admissions, and the rest of the Manhattan College staff who made this trip possible. CBA was honored to be hosted by a fellow Lasallian school.

CBA SENIOR GIVES BACK

On January 22, **Ryan Sala '22** and his business partner donated \$500 to the Ronald McDonald House Charities of the Capital Region. This donation came from the proceeds of their clothing business, Nocturnal Strength.

The high school students created their clothing brand with aspirations to fulfill their dreams to attend college, all while learning what it takes to run a small business. The brand also advocates for those individuals impacted by mental health struggles and donates 10% of its profits to charity.

STUDENT SERVICE

On February 14, Father Le Fort of the Roman Catholic Diocese gave CBA students the day off in recognition of their outstanding service during the holidays. **Cooper Pellett '25** decided to use the day to do volunteer work at the Capital City Rescue Mission, where he helped to package up lunches for those in need in the community.

9TH GRADERS GET INVOLVED

Over winter break, some CBA 9th graders volunteered with Operation Adopt-A-Soldier. The organization provides a sense of home to soldiers overseas through care packages, gifts, letters, etc. Their mission is to raise awareness of the daily sacrifices these men and women make in order to preserve our freedom. The Brothers gathered toiletries, snacks, letters, and more to donate and packaged them up to send out overseas. They helped to pack up over 260 care packages for soldiers.

JERSEY DRESS DOWN DAY

On February 10, students dressed down in their favorite sports jerseys in support of the Center for Disability Services. The Center provides programs and services to individuals with disabilities throughout the Capital Region. Over \$2,000 was raised and donated to the Center, CBA is proud to support this organization and its mission.

LASALLIAN TWINNING WEEK

During the week of March 7, CBA partnered with our twin school, St. Paul's Secondary School in Marsabit, Kenya, as a part of the De La Salle Christian Brothers Twinning initiative. During this week-long drive, CBA raised awareness for St.

Paul's by informing students of what it takes to attend St. Paul's and how we can continue ensuring their education by providing funds through a dress down day. St. Paul's students usually come from nomadic communities in Northern Kenya to study in hopes to further their education, but acceptance is extremely competitive with only 50

available spaces per year. With CBA's help, all proceeds were donated to the school's urgent needs such as tuition costs, facility updates, school security, clothing, food, and housing. CBA students also learned more information on the program and the missions of St. Paul's in their Theology classes.

SPRING SERVICE

A group of National Junior Honor Society members got together on April 2 to organize one of their Spring service projects. The Brothers packaged over 150 food bags for children and donated them to a local food pantry. Thank you to **Joshua McSwieney '25** and his family for helping to organize this Spring service project.

DOUBLE H RANCH SERVICE

CBA 6th and 8th graders helped to clean up the property at Double H Ranch in Lake Luzerne during the week of April 7 as a part of their service project. CBA continues to support the

organization's mission of enriching the lives of children who face life-threatening illnesses, by providing camp experiences in a fun and physically safe manner. The Brothers cleared out all branches, brush, and debris from over the winter to help make the campgrounds spring-ready so the Ranch's members can enjoy it to its fullest.

ST. FRANCIS SPRING CLEAN-UP

Ben Bern '22, Marcus Burgos '25, Ryan Brodie '23, Jake Doemel '22, Jack Chenevert '25, and Cooper Pellett '25 helped to clean up the property at St. Francis Mission on Clinton Avenue during part of their spring break. This clean-up helped the Loaves and Fishes Feeding Ministry, which provides full meals to individuals and families who have little or no food source available to them.

CANINE COMPANIONS

CBA received a visit from two special furry friends at Canine Companions. The organization provides service dogs to children, adults, and veterans with disabilities so they can live a more independent life. CBA held a dress-down day on April

29 which raised over \$2,000 for Canine Companions.

MAY CROWNING

On May 17, middle school classes participated in our annual May Crowning of Mary ceremony in the grotto. 8th graders; **Colton Grimes, Brandt Cadet, Sage Starks, Nick Pedone**, and **Thomas Campbell**, each read a prayer in honor of Mary, mother of Jesus, "Queen of May".

MEMORIAL DAY PARADE

On May 30, the full brigade and marching band proudly represented CBA at the Albany Memorial Day Parade. The bridge building contest was sponsored by the Foundation for Engineering Education, the Structural Engineering Institute of the Mohawk-Hudson Section of the American Society of Civil Engineers, and the Eastern NY Chapter of the Association for Bridge Construction and Design.

MAJOR GENERAL VISITS CBA

On April 12, CBA had the honor of welcoming Major General (MG) Daniel J. Christian of the United States Army to its campus. MG Christian is the current Deputy Chief of Staff for the US Army Training and Doctrine Command in Fort Eustis, Virginia. He has served in a variety of assignments throughout his extensive career, most recently he was assigned as the Deputy Commanding General for Sustainment of the 8th Army, headquartered in Camp Humphreys, Republic of Korea. MG Christian has also received military awards and decorations including the Legion of Merit, Bronze Star Medal, Meritorious Service Medal, Army Commendation Medal with combat "V" device, and more. He graduated from LaSalle Institute in Troy, and his father, Joseph A. Christian, was a 1948 graduate of CBA.

Major General Christian addressed the entire JROTC brigade, acknowledged seniors who are offering their service to our nation after graduation, and shared his experiences of his time in the Army. **Luke Buss '23,** was also recognized by MG Christian for his heroic act of service when he stopped his school bus after the driver had a medical emergency. Colonie Town Supervisor, Peter Crummey, and Councilwoman Melissa Jeffers, were also in attendance to help welcome the Major General to CBA.

MESSAGE FROM THE CHAIRMAN

Dear CBA Friends and Family,

Most of you have heard about, or seen first-hand, the improvements made to the school's sports stadium. The CBA Puleo Stadium is now home to a professional sports grade turf field, a recently resurfaced running track with field event areas, a beautiful scoreboard and a new press box. Not only does the stadium represent the pride in our school, but it also provides a nearly year-round playing surface, for our teams to play games and practice. As many of you have recently experienced, the stadium is also used

for ceremonies like Mothers Review, and other special events. It is truly a special place for our community to gather to watch and celebrate our students.

The most exciting news of this school year was the announcement of the construction of a new sports dome. The Dome will have the area's only regulation-size high school indoor running

track, allowing CBA to host sanctioned indoor track meets. In addition, the Dome will have a regulation-size basketball court, which will alleviate the scheduling pressure on the school's main gymnasium. The infield of the Dome will contain a practice turf field (approximately the size of a baseball infield). All our sports teams will now have a year-round indoor space to practice during inclement weather or in cases of unplayable outdoor fields. The wrestling team will have a dedicated area to practice and compete, and the golf team can stay sharp in the off-season by practicing on the new golf simulators that will be included in the Dome's entrance building. Finally, all students will be able to use the new weight room, located inside the Dome. The existing weight room inside the main building will be converted into a varsity meeting room and a separate trainer's room.

The Dome is not just for sports. As one of the largest marching bands in the area, the CBA marching band represents the spirit of CBA and performs at local parades and special events, and even marches down Main Street in Disney World. During the winter and spring months, the marching band is designated to practice in the school's parking lot. The Dome will provide the marching band and the entire high school cadet brigade, room to practice and drill.

Through the continued generosity of CBA's parents, alumni and friends, we have raised a significant portion of our \$4 million dollar campaign target. The stadium improvements were made possible by this campaign, and I am confident that we will reach this goal and have the Dome ready for the 2022–2023 winter sports season. To do this I am asking everyone to contribute to this special effort as generously as you can. These projects will provide enormous benefits to our students, now and well into the future of CBA. There are also naming opportunities available with this campaign. Please contact Colleen Ward, Director of Institutional Advancement, for more information on how to become part of this amazing project.

With the 2021-2022 school year now completed, the Board of Trustees and I want to thank Dr. Schlegel and all of the faculty and staff, for their tireless efforts in providing an exceptional mission–driven educational experience for boys in this area, and graduating them into the world as respectful and responsible young men. Have a safe and wonderful summer.

St. John Baptist de La Salle, pray for us. Live Jesus in our hearts, forever!

Faithfully yours,

Chris Scaringe '82 Chairman of the Board

must serve two semesters at their institution and hold a cumulative grade point average of 3.20. Hunter is a junior at Siena College.

Carson Curran '21, Jack Murphy '21, Mike West '20, and Colin Mesick '20 met up over the 2021 holiday break at a get-together skate in Clifton Park. All four boys played hockey together while they attended CBA and enjoyed catching up on the ice.

Jack Murphy '21 and Joe Thaver '20 connected during their field training at Fort Drum, NY, when their ROTC programs came together.

Ryan Hotaling '21, Sean Hendricks '21, Glenn Sauter '21, Nolan Field '21, and Jack Murphy '21 all paid a visit to CBA to speak with JROTC students on what they are currently doing in their branch of the Military. The Brothers talked about their experiences and offered advice for those who are graduating and looking to enter into the service after high school.

#Bronation Day

BronationDay 2022 was another jam-packed day with non-stop activities, games, and surprises. We kicked off the day by gathering students in the gym to share the BIG news of building a CBA Dome. The day then continued with non-stop activity: student vs. faculty basketball games, kickball and capture the flag games, a visit from SouthPaw mascot of the Tri-City ValleyCats, and the senior vs. faculty water balloon fight. Thank you, Epting family, for providing us with an awesome dunk tank too!!

We received 714 gifts from alumni, students, parents, faculty, staff, and friends of CBA. We raised \$204,661 thanks to your generosity and support. We are truly grateful. We can't wait to break ground on the new dome!
