CBA ANNUAL FUND | 2026 GRADUATION | #BRONATIONDAY

MESSAGE FROM THE PRESIDENT

Dear CBA Family,

At the conclusion of another remarkable academic year, I am filled with immense gratitude for the vibrant community that defines Christian Brothers Academy. This past year has been defined by the continued success and accomplishments of our students. Our academic teams competed in national tournaments and thanks to our growing fine arts program, our artists now join our musicians being recognized at the local and state level. Remarkable achievements in athletics continued again this year. Highlights included another year of breaking records and competing at state and national championships for our track and field athletes and our basketball team's truly historic season as undefeated state champions. In activities, service, and academics, our students are rising to the standards set by the long history of success in the classes that have graduated from CBA. Our alumni and families can take great pride in today's students, who continue to be a living testament to the enduring Lasallian values that stand at the center of a CBA education.

Our Class of 2026 distinguished themselves by their academic excellence and superior leadership. This year's graduates have pushed the boundaries of scholarship, earning admission into some of the nation's most prestigious colleges and universities, and distinguished service academies. Led by our Valedictorian, Jameson Dalpe, and our Salutatorian, Brandt Cadet, the Class of 2026 secured over $25 million in scholarships. While these metrics and collegiate destinations fill us with pride, we are equally moved by the character these young men have displayed. In addition to our long list of acceptances and scholarships, many students have answered the call to serve in the armed forces or through ROTC programs, while others are following a calling by continuing their education at technical and trade schools. Both groups are fulfilling areas of great need for our country. The Class of 2026 leaves CBA not just with an academic pedigree, but as a tight-knit Brotherhood prepared to lead lives of true significance.

In a rapidly changing world, people often ask why a Lasallian Catholic education remains so vital. The answer lies in our holistic approach. In the Lasallian tradition, we refuse to separate the intellectual rigors necessary for professional success from the spiritual growth necessary for the complete formation of a person. The world's problems will not be solved merely by adding more smart people. The world needs individuals who combine integrity, empathy, and faith with their intellect. At CBA, we integrate the education of the mind with the education of the heart to teach our students how to make a good living, but more importantly, how to live a good life.

As we look toward the future, we remain deeply mindful of the bridge between our current students and our alumni. Your stories, your continued presence, and your generosity are the fuel for our ongoing growth. I encourage you to remain connected. We invite all alumni to return to campus, attend our events, and continue to be an active part of this Brotherhood. Come back to CBA to provide our current students a living example that the friendships they are making today will last a lifetime.

Thank you for your steadfast support and as always, Go Brothers!

Live Jesus in our hearts. Forever.

Sincerely,

Dr. James Schlegel

WITH GRATITUDE FOR MAUREEN O'BRIEN'S LEADERSHIP AND SERVICE

As Maureen O'Brien concludes her service as Vice Chairperson of Christian Brothers Academy Board of Trustees, we extend our heartfelt gratitude for her steadfast leadership, thoughtful guidance, and unwavering commitment to CBA's mission over the past several years.

A graduate of The Academy of the Holy Names, the University of Notre Dame, and New York University, Maureen has built an exceptional career dedicated to serving others. As President and CEO of New York State Industries for the Disabled (NYSID), she leads an organization that creates meaningful employment opportunities for thousands of individuals with disabilities across New York State. Her professional accomplishments, along with numerous community leadership awards and service on nonprofit boards throughout the Capital Region, reflect a lifelong commitment to advocacy, inclusion, and making a meaningful difference.

Maureen's connection to CBA began through her son, **Gabriel '22**, whose educational journey reinforced her family's belief in the transformative power of a Lasallian education. From that experience grew a deep commitment to CBA and its mission. Throughout her tenure on the Board of Trustees, she has generously shared her time, expertise, and compassionate leadership, helping to guide CBA through continued growth while always keeping the best interests of our students at the forefront.

Her thoughtful perspective, collaborative spirit, and dedication have made a lasting impact on the Board and the entire CBA community. We are deeply grateful for the leadership she has provided as Vice Chairperson and for the many ways she has strengthened CBA during her years of service.

IN MEMORIAM: CARM BASILE

Christian Brothers Academy community mourns the loss of longtime Board of Trustees member Carm Basile, whose leadership, generosity, and unwavering commitment left an enduring mark on our school.

Since joining the Board of Trustees in 2011, Carm faithfully served CBA with wisdom, integrity, and a genuine passion for advancing the Lasallian mission. As the proud father of alumni **Dan '07** and **Steve '11**, his connection to CBA extended far beyond Board service. He believed deeply in the transformative power of a CBA education and worked tirelessly to ensure future generations of Brothers would benefit from the same opportunities that had shaped his own family.

A highly respected business leader and former CEO of CDTA, Carm brought thoughtful insight, strategic vision, and a collaborative spirit to every discussion. His steady leadership and willingness to share his time and expertise helped strengthen CBA during a period of continued growth, while his humility and kindness earned the admiration of fellow trustees, faculty, and staff alike.

More than his professional accomplishments, Carm will be remembered for the way he lived his life; with compassion, generosity, and an unwavering commitment to serving others. We are profoundly grateful for his many years of service to Christian Brothers Academy and for the lasting legacy he leaves behind.

SCIENCE NATIONAL HONOR SOCIETY

On February 2, Christian Brothers Academy proudly inducted its newest members into the Science National Honor Society (SNHS) during a ceremony attended by family, friends, faculty, and fellow students. The induction celebrated students who have demonstrated exceptional achievement in the sciences while exemplifying the qualities of leadership, character, and intellectual curiosity. As members of SNHS, these young men commit themselves to advancing scientific knowledge, serving their communities, and using their talents to make a positive impact on the world around them.

The evening also recognized the efforts of student founders and leaders **Jameson Dalpe '26** and **Theodore Gialanella '26**, whose vision and dedication helped establish the Science National Honor Society chapter at CBA. Their leadership has created new opportunities for students to engage more deeply with science and foster a culture of academic excellence.

Special recognition was also given to Mrs. Muller, who serves as the chapter advisor. Through her guidance, encouragement, and commitment to her students, she has played an instrumental role in the chapter's success.

CBA is proud to celebrate these outstanding students and their dedication to truth, discovery, service, and the values of brotherhood that define a Lasallian education.

HIGH SCHOOL REGIONAL ART SHOW

CBA is proud to recognize **Kellen Lue '26,** who was selected for inclusion in the 27th Annual High School Regional Juried Art Exhibition. This honor reflects Kellen's artistic talent and dedication, as his work was chosen from an exceptionally competitive pool of submissions. This year's exhibition featured 515 entries representing 27 school districts throughout the region, with only 127 artworks selected for display by the jurors.

Kellen's artwork stood out among a remarkably talented field of young artists, earning him the distinction of having two pieces accepted into the exhibition. His achievement highlights both his creative vision and commitment to artistic excellence. As one of the region's premier showcases of high school art, the exhibition celebrates outstanding student artists and provides an opportunity for their work to be viewed by the broader community. Kellen's artwork is a significant accomplishment and a source of pride for the entire CBA community.

SPRING COLLEGE FAIR

On April 14, 10th and 11th grade students had the opportunity during the Spring College Fair to connect with representatives from over 70 colleges and universities, exploring future possibilities and gaining valuable insight into the admissions process. We were also happy to welcome students from Academy of the Holy Names, Catholic Central, Saratoga Central Catholic and Bishop Gibbons, making this a truly collaborative and enriching experience. A special thank you to the CBA Guidance Department for another outstanding job organizing such a meaningful event for our students.

MASTERMINDS IN CHICAGO

The CBA MasterMinds team took on the nation on April 25 in Chicago at the Small Schools National Championship, competing against 66 of the top quiz teams in the country! The team delivered a strong performance, finishing 35th overall, just three spots shy of the final rounds. Individually, **Thomas Campbell '26** led the way, ranking 22nd out of 305 competitors nationwide. **Jameson Dalpe '26** finished 91st, followed by **Ethan Calderon '26** (224) and **Matt Daus '26** (288). A special thank you to Mrs. Calderon, the team's advisor, for her dedication and support throughout their competition journey. Every member played a key role in the team's success.

ART FIELD TRIP

CBA Art students took a trip to the Olana State Historic Site in Greenport, NY on April 16. They explored the home and landscape of Frederic Edwin Church, gaining insight into the Hudson River School and the connection between art and nature. Students were highly engaged throughout the day, asking thoughtful questions during the tour and actively participating in the guided landscape walk. The highlight of the trip was a plein air watercolor workshop, where students created their own artwork inspired by the surrounding views. This experience was both enriching and inspiring, and we are proud of how positively our students represented our school.

MIDDLE SCHOOL ESSAY CONTEST

Several CBA students were recognized for their outstanding writing this past May. Their essays, submitted to national contests hosted by the Veterans of Foreign Wars of the United States, have advanced to the next round of review. Through competitions like Patriot Pen and What Service Means to Me, students explored powerful themes of service, sacrifice, and what it means to be an American.

Congratulations to **Landon Miglucci '31, John Jamison '30, Logan Sylvestre '30, William Tonks '31, James Kostanoski '31, Lucas Machegiani '30, Brenner Philip '30**, and **Nick Mulledy '30** (not pictured), who were honored at local VFW ceremonies in Clifton Park and Schenectady. Best of luck to our writers as they move forward. Those competing in What Service Means to Me, will head to the Chicago awards ceremony in July.

DECA CLUB

This year marked an exciting milestone as Christian Brothers Academy launched its first-ever DECA chapter. An internationally recognized organization, DECA prepares high school students for careers in marketing, finance, entrepreneurship, hospitality, and management through hands-on learning and competitive events. More than 30 Brothers participated during the chapter's inaugural year, building foundational business skills while exploring real-world career pathways and preparing for competition. Twenty-four students represented CBA at the Region 4 competition held at Hudson Valley Community College in January, joining students from Shenendehowa, Shaker, Albany Academy, Greenville, Niskayuna, and Onteora.

Several Brothers delivered standout performances. **Jai Bhatnagar '28** captured first place in the Entrepreneurship Series, while **Christian Hartzell '28** earned first place in the Sports Marketing Management Series, qualifying both students for the New York State DECA Conference. **Trevor Murray '27** also had an outstanding showing, finishing second in the Business Finance Series.

Christian Hartzell '28 & Jai Bhatnagar '28

At the state conference in Rochester, students spent three days competing, participating in professional development workshops, networking with business leaders, and exploring opportunities with colleges from across New York. Jai continued his remarkable season by earning first place in Entrepreneurship, securing a spot at the DECA International Career Development Conference in Atlanta, Georgia. Competing against some of the nation's top DECA students, Jai represented CBA with distinction, finishing in the top 20 percent across the conference's three scoring components, including role-play events and the written exam.

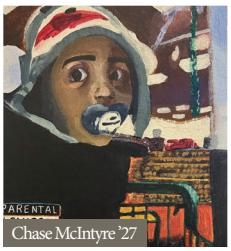

In its very first year, CBA's DECA chapter established itself as a valuable academic opportunity, giving students a place to develop leadership, professionalism, and business skills while challenging themselves through meaningful competition. The chapter's early success has laid a strong foundation for continued growth in the years ahead.

Finishing with a perfect 25–0 record, CBA combined exceptional talent, unwavering determination, and a selfless "We Before Me" mentality to achieve an unforgettable championship run.

The Brothers captured the Section 2 Championship in commanding fashion with a decisive victory over Shaker at MVP Arena before continuing their postseason success by defeating Bishop Ludden in the regional final. JUNIOR YOUTH ADVISORY BOARD

This year, a group of CBA middle school students proudly represented CBA as members of the Town of Colonie's Junior Youth Advisory Board. The program, designed for local students in grades 7 and 8, provides a unique opportunity to learn about civic engagement, local government, and community leadership while collaborating with peers from schools throughout the region.

Throughout the year, participants met regularly to discuss issues affecting young people, share ideas for strengthening their community, and gain firsthand insight into how local government serves its residents. By engaging in meaningful conversations and working alongside fellow student leaders, they developed valuable skills in communication, teamwork, problem-solving, and public service. Through programs that encourage service, leadership, and civic responsibility, our students continue to embody the values of a Lasallian education both inside and outside the classroom.

Congratulations to **Jordan Sykes '31, Tedy Field '31, Harris Lisella '30, Gerard McNamara '30, David "Warner" Clarke '30, Luke DeWitt '30**, and **Cameron Pavone '30** on their participation and commitment to making a positive impact in their community.

MESSAGE FROM THE CHAIRMAN

To the Christian Brothers Academy Community,

It is with a profound sense of gratitude and pride for the CBA community that I write this message. As we reflect on the past year, I am struck by the incredible support our community has shown for our mission. The collective generosity of our parents, faculty, friends, and alumni continues to ensure that Christian Brothers Academy remains a beacon of excellence, providing a transformative education rooted in the Lasallian tradition.

The results of our recent advancement efforts are nothing short of remarkable and that is due in large part to you. Each contribution, whether large or small, direct donation or planned gift, directly impacts our students' and advances our ability to provide the programs and facilities they deserve.

I am especially delighted to highlight a significant milestone in alumni participation. We have witnessed a tremendous surge in support from our graduates, with the total number of alumni gifts increasing by over 200 this fiscal year. This growth is a powerful testament to the lasting bond our alumni feel toward their alma mater and their commitment to securing the CBA experience for future generations.

This momentum, coupled with the increased engagement we are seeing from our younger alumni, reflects the enduring strength of our brotherhood. Seeing our newest graduates step up to lead and give back is particularly inspiring; it signals a bright future for our institution and ensures that the legacy of CBA will continue to thrive for decades to come.

On behalf of the Board of Trustees, thank you for your unwavering commitment, your prayers, and your exceptional generosity. Together, we are building a stronger CBA.

17TH ANNUAL PURPLE & GOLD GALA

On March 27, our 17th Annual Purple & Gold Gala was held at Rivers Casino & Resort in Schenectady where we celebrated the mission, traditions, and future of CBA. This year's gala theme, The Light Shines On, served as a reminder of the lasting impact of a Lasallian education and the many individuals who help illuminate the path for current and future Brothers. Alumni, parents, faculty, staff, friends, and supporters came together for an unforgettable evening of fellowship and philanthropy, all in support of CBA's mission.

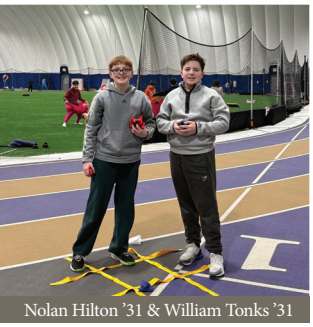

The event featured a cocktail reception, photobooth sponsored by **The Minnick Agency**, exciting silent and live auctions, music provided by **NonStop Music - Vinny Commisso '98**, and opportunities for everyone to connect about CBA. Throughout the evening, attendees were reminded of the transformative experiences taking place every day on the CBA campus and the importance of ensuring those opportunities remain accessible for generations to come.

Thanks to the incredible generosity of our community, the gala raised more than $270,000 to support student programs, financial assistance, academic initiatives, and the many opportunities that define the CBA experience. These funds will directly impact current and future students, helping to strengthen the school's commitment to academic excellence, leadership development, faith, and service.

Thank you to our Gala co-chairs **Lisa and Darryll Towsley '94** and **Kathy and Mike Ozimek '92**, committee, and to everyone who attended, sponsored, donated, volunteered, and contributed to making the 17th Annual Purple & Gold Gala a tremendous success. BRONATIONDAY 2026

ONE DAY. ONE MISSION. BROTHERS GIVE BACK.

The CBA community once again demonstrated the power of Brotherhood during BronationDay 2026 on May 15. Centered around the theme, "One Day. One Mission. Brothers Give Back," this year's annual Day of Giving united alumni, parents, students, faculty, staff, and friends of CBA in support of the school's mission and future.

Leading up to BronationDay, students participated in a friendly giving competition that challenged both Middle School grade levels and High School JROTC companies to demonstrate their support working towards a total of 300 student gifts. With an incredible 91% participation, the 5th Grade Class won the Middle School Challenge and received a pizza party. Plus the 6th Grade Class raised the most money overall with over 50% participation and were able to celebrate with 5th Grade as well. The High School Company vs. Company Challenge winner was The CBA Band with over 61% participation. We could not have completed the Student Challenge without the help from **Cadet Colonel Teddy Gialanella '26, LTC Sean Garrity '26** and all of the company commanders.

It was a day filled with 16 hours of challenges, live updates, competitions, and giving opportunities, all working toward a common goal: strengthening the Brotherhood and ensuring future generations of students continue to benefit from a Lasallian education.

As the day unfolded, donors responded enthusiastically to a series of matching gift challenges, alumni competitions, and special incentives. Alumni classes rallied together, current and former families stepped up in support, and Brothers across generations answered the call to give back. The excitement was evident throughout the day as live leaderboards tracked progress and supporters tuned in to BroTV for updates and celebrations.

By the end of BronationDay, the CBA community had exceeded expectations, raising more than $125,000 through over 600 gifts, surpassing our original goal!

Every gift made on BronationDay helps support the Annual Fund, providing resources that enhance academics, student activities, athletics, leadership programs, campus improvements, and financial assistance. More importantly, each contribution serves as an investment in the young men who will carry forward the traditions and values of Christian Brothers Academy.

BronationDay has become much more than a fundraising event. It is a celebration of Brotherhood, a reminder of the strength of the CBA network, and a testament to what can be accomplished when the community comes together in support of a shared mission.

Senior hype up before the faculty vs. student basketball game

Thank you to every donor, volunteer, student ambassador, challenge sponsor, and supporter who made BronationDay 2026 a success. Because of your generosity, the mission continues, opportunities expand, and the Brotherhood grows stronger with each passing year.

ALUMNI GUEST SPEAKER SERIES

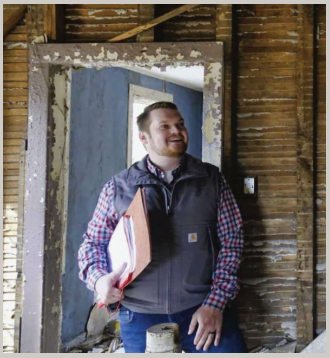

Jai Bhatnagar ’28, Christian Hartzell ’28, Mr. Graham ’15, Blake Mahieu ’24, Mike Field ’27, Maddox Lange ’29, Carter Slingerland ’28

Blake Mahieu ’24 addressing DECA Club

Blake Mahieu ’24 visited CBA on February 4 to speak with our DECA Club students on his journey as a young entrepreneur. Blake is the founder of Upstate Bug Busters, a 100% all-natural tick and mosquito control company that serves the Capital Region. He started his company while he was still a student at CBA and it has continued to grow due to the lessons he learned at CBA through leadership, service and giving back.

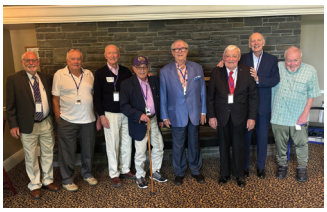

Billy Burns ’06 returned to Christian Brothers Academy this past spring where he brought more than stories from his career, he brought a message about the value of skilled trades, craftsmanship, and following a passion. Speaking with students, he shared how his journey from CBA led him to Hudson Valley Community College, the renowned North Bennet Street School in Boston, and ultimately to a successful career in historic preservation and construction management.

Today, Billy serves as a Project Manager with Asher Nichols & Craftsmen, where he oversees residential construction and historic preservation projects that have earned regional recognition for excellence. Throughout his career, he has developed expertise in preserving historic structures, discovered a previously undocumented Shaker property in his hometown of Loudonville, and built a reputation for combining traditional craftsmanship with modern building science. Beyond his professional work, Billy is deeply committed to mentoring the next generation of tradespeople, training high school students interested in carpentry and workforce development while serving as President of the New England Lyman Group, an organization dedicated to preserving the craft of wooden boatbuilding. His visit to CBA reinforced an important message for students: the skilled trades offer meaningful, rewarding careers that combine creativity, technical expertise, and the opportunity to build a lasting legacy.

JACK MCKENNA '23 - TAKING A CHANCE ON BEAST GAMES

When Jack submitted a short audition video for a reality competition show last summer, he never imagined where it would lead. What began as a lighthearted attempt quickly turned into the opportunity of a lifetime.

Just two months later, Jack found himself putting his summer plans on hold, boarding a plane, and joining a select group of competitors vying for a staggering $5 million prize on Beast Games, the high-profile competition series created by YouTube sensation MrBeast.

Out of more than 400,000 applicants, only 200 contestants earned a spot on the show. For Jack, receiving the acceptance email was the moment everything became real.

"It was exciting throughout the application process," he recalled. "But once I got the email, I knew I couldn't look back and wonder what might have happened. I had to go all in."

A COMPETITION UNLIKE ANY OTHER

Describing the scale of the production is no easy task. The competition featured some of the strongest, smartest, and most determined contestants from around the world, all competing in challenges designed to test both physical and mental limits.

While viewers see fast-paced action on screen, Jack learned that reality television is often a lesson in patience behind the scenes.

Contestants regularly spent long hours waiting as production crews prepared challenges and coordinated filming. Some days involved little competition at all, while others stretched into 18-hour filming sessions that ultimately appeared as only a few minutes of television.

Adding to the challenge was the uncertainty. Contestants received little information ahead of time and had only moments to develop strategies once each challenge was revealed.

THE POWER OF RELATIONSHIPS

Rather than relying solely on strength or individual performance, Jack focused on building relationships with fellow competitors.

"My strategy was simple—the more friends, the better," he said.

While some contestants approached the competition alone, Jack recognized the value of trust and teamwork. The connections he formed throughout the experience became one of the most rewarding aspects of his journey.

By the end of the competition, he had developed friendships with people from a wide variety of backgrounds and professions, including teachers, clergy members, entertainers, and international contestants from around the world. Those relationships continue today, extending far beyond the show's conclusion.

A BROTHER THROUGH AND THROUGH

Jack's approach paid off in a big way. Outlasting nearly every contestant in the field, he advanced all the way to the final six competitors, an extraordinary accomplishment considering the more than 400,000 people who initially applied for the opportunity.

Throughout the competition, Jack consistently demonstrated the resilience, determination, humility, and competitive spirit that define a Brother. Whether facing grueling challenges, adapting to unexpected situations, or building meaningful relationships with fellow contestants, he represented himself and his alma mater with pride.

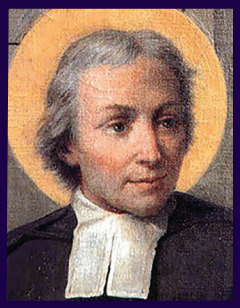

For Jack, the experience ultimately became about much more than competing for a cash prize. It was an opportunity to challenge himself, step outside his comfort zone, and embrace the unknown.

Like many people, he had previously passed on opportunities because of uncertainty about the outcome. This time, however, he chose a different approach. Rather than asking what could go wrong, he focused on discovering what he was capable of achieving.

When the demands of the competition became difficult, Jack often reminded himself of the thousands of applicants who would have eagerly traded places with him. That perspective helped him stay focused and make the most of an opportunity few people ever experience.

Looking back, the lessons learned, friendships formed, and memories created proved just as valuable as his remarkable finish. What started as a simple audition video became an unforgettable adventure and a testament to what can happen when you take a chance, trust yourself, and embody the values that make CBA Brothers stand apart.

SAINT LASALLE SOCIETY

At Christian Brothers Academy, our commitment to providing a transformative, faith-filled education is timeless. For generations, the foresight of alumni, parents, and friends, through planned gifts, has been the bedrock of our stability.
