**Music Registration Form**

Dear Parents,

We wish to call your attention to one of the most valued activities CBA offers to its students; our instrumental and choral music program. The program is open to both the junior and senior high school, and your son does not need to have any prior experience to join.

There are a number of groups your son can become involved in including: concert band, marching band, wind band, chorus and jazz ensemble, as well as some small ensembles. Each group has set rehearsal times throughout the week, and all instrumental music students are enrolled in weekly lessons. The groups also perform a number of times throughout the school year.

When joining our program, we do not expect that your son have musical experience. We start beginners up to ninth grade. However, we do require that your son provide his own instrument. CBA works hand in hand with local music stores, which offer a variety of affordable rental packages. Students in the program are also responsible for attending all scheduled lessons, rehearsals, drills, parades and performances.

To facilitate scheduling, we need to have an approximate count of the number of students who will be participating in the music program. If you and your son are interested, please fill out this form and return it with the other registration papers. If you have any questions or concerns, please feel free to call the Music Department at 518-452-9809 ext. 123 or send an email to [waites@cbaalbany.org](mailto:waites@cbaalbany.org).

Sincerely,

*Sarah E. Waite*
