Music Scholarship Application

SCHOLARSHIP OPPORTUNITIES

Musical development is a priority at CBA. This year, the school is again offering a scholarship opportunity to encourage new students with musical talent to share their talents with our school.

Students who show promise and talent in the area of music performance are encouraged to audition for the scholarships as they are awarded to students on several different levels. Beginners (in their first three years of study) will be judged against musicians of a similar caliber with similar abilities. Musicians who have more advanced talent are encouraged to compete for our Gold Scholarship against other musicians with similar talent. Students who perform at NYSSMA level IV-VI fall into this category.

FINANCIAL AWARDS

Purple Scholarship - \$500 / year

This scholarship will be awarded to students based on their audition and is open to all new students as well as CBA musicians in 8th grade moving into 9th grade.

Gold Scholarship - \$1,000 / year

This scholarship will be awarded to students based on their audition and availability and is open to all new students as well as CBA musicians in 8th grade moving into 9th grade.

AUDITION REQUIREMENTS

Solo

Prepare one full length, unaccompanied solo. Focus on two contrasting movements in solos with multiple movements.

Scales

Prepare as many major/minor scales as you are comfortable.

Sight Reading

An excerpt appropriate to your solo level will be provided at your audition. Most excerpts will be roughly 8 measures.
